Mr. Lou Swift,
1161 Post St.
San Frncisco, Calif.

Dear Mr. Swift,

There is considerable interest in my new book which has new and unique content on both the JFK assassination and the CIA.

We have no California distribution.

We give wholesalers a 50% discount. Books fully returnable if in condition to be sold. We add postage.

Enclosed are a flyer we send out, giving some of content, and a reprint of a Washington Post story.

The Sacramento Bee had more than 40 square inches of this same story on its front page.

Sincerely,

Harold Weisberg

Sorry not interested at present

Lou
